

## LEFT HAND RUNNING

### JANUARY 2026

Hello, Members!

Happy New Year's! I hope this first newsletter of 2026 finds you all well.

Our first meeting of the year will be Saturday January 10th, 1:30pm, at Alex Jackiw's home, 10811 Front St, Mokena, IL. We plan to work on scenery on the 00 layout in anticipation of upcoming shows.

Our annual Christmas party was on Saturday December 20th, 2025. Many were in attendance. As a club, we gave members Kato Micro-Diorama kits as a gift. I hope those who attended enjoyed themselves.

On December 13th and 14th, we participated in Chicagoland T-Trak's Polar Express show at Elmhurst Public Library. Our freshly revised club modules were in use, as were modules built by Alex Jackiw and Jon Szajkovics. Matt K also had his stand-alone N scale table.

We hope to see many of you at our meeting Saturday January 10th. Have a great new year!

Martin Sorensen - President
